

Model:
EV80

Electronic Dishwasher
500mm basket

General Information

User friendly, intuitive and informative the large LED control panel with bright colour coded display allows for easy operation and staff training thanks to its large, easy to read buttons and symbols.

The bright LED display even allows the EV to be used even in low light situations making it ideal for use in pubs, clubs and bars.

The flat, waterproof EV-TOUCH responsive control panel allows for one touch operation to start a wash cycle for totally safe and easy operation.

EV-LOGiC is our self diagnostic system which monitors the machines performance at all times and displays user friendly error codes. Speeding up troubleshooting and greatly reducing downtime in the unlikely event of a breakdown.

Key Features

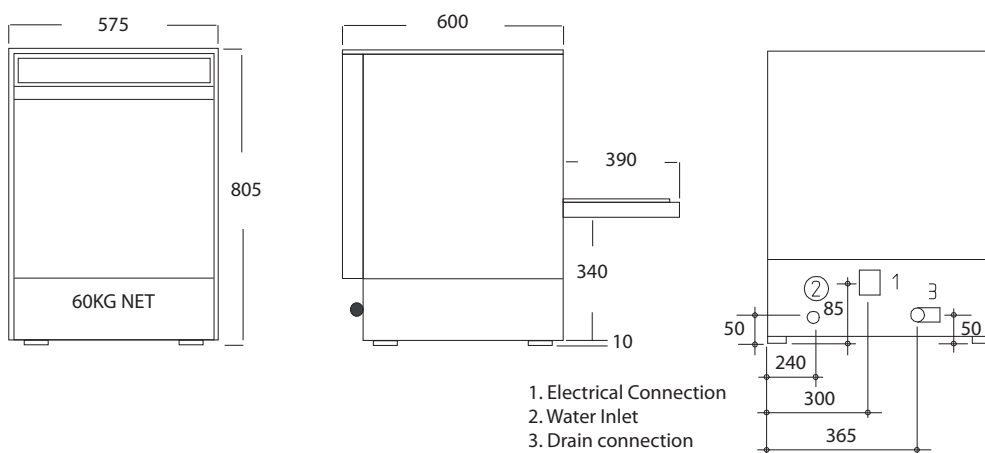

- Simple to use
- Micro particulate pump filter
- Double skinned door
- 1,2,3,4 & 10 minute wash cycles
- Soft touch electronic controls
- Digital display informs user of the current status of the machine
- Self diagnostic system
- Soft start wash pump
- Drain pump fitted to all machines as standard
- Air break tank
- Rinse boost pump

Available Options

- Stainless steel construction
- Waterproof LED control panel
- Internal water softener
- External water softener
- Multifit stand

Technical Data

Model	EV80
External Dimensions	Width = 575 Depth = 600 Height = 805
Wash Cycle	1,2,3,4 & 10 minutes
Basket size	500 x 500mm
Internal clearance / Maximum loading height	340mm
Automatic rinseaid injector	✓
Automatic detergent injector	✓
Wash tank temperature	60°C adjustable
Rinse tank temperature	85°C adjustable
Rinse tank heating element	4000w
Wash tank heating element	2800w
Total power supply	4600w
Wash pump power	550w
Wash tank capacity	17 litres
Rinse tank capacity	3.5 litres
Water inlet	3/4 BSP
Drain outlet	28mm
Drain system	Pumped
Weight	60kg
